THIS PRICE LIST IS for all brands supplied by Veaudry Brown International for general information purposes only. The prices in the price list are the average price at which its Customers/Distributors, at their sole discretion, could sell the product. It is not intended as a specific recommendation or guideline to the Customer/Distributors/Agents regarding the selling price of that item. The Customer/Distributor/Agents will set their own retail selling price of all goods at their own sole discretion, and consequently Veaudry International does not guarantee any margin on sales of its products by the Customer/ Distributor/Agents, similarly, consequently Veaudry International does not make (nor is it able to make) any guarantees regarding the selling price of products sold by any other Customers/Distributors/Agents, as to do so would be to engage in anti-competitive behavior. No reseller is permitted to sell on any ecommerce platform without signing and agreeing to the Veaudry International ecommerce agreement. To sell online, please request the ecommerce agreement. Veaudry, muk and DS Laboratories are fully imported products and may be affected to currency fluctuations from time to time. At Veaudry we strive to ensure that all lines are always in stock. Veaudry International works on a CBD basis (cash before delivery) as to ensure the lowest possible pricing. Pricing reflected includes vat at 15%.
